2026-2027 APPEAL for SAVE A FAMILY PLAN

Breaking the cycle of poverty requires more than overcoming financial hardship.

Dignity, establishing hope, and instilling a sense of belonging are also essential.

Strong community connections are at the heart of social justice, and at the core of Save A Family Plan's programs. Bringing families and communities together fosters companionship, solidarity, and stability. Under such conditions, positive change takes root, allowing families to flourish.

Program participants, SAFP field staff, key community leaders and stakeholders all work together to break the cycle of poverty. ***It is with your generous support that all of this is possible.***

Donate today toward the project that is closest to your heart, or make a donation toward 'Most Urgent Needs' and we will direct your gift to where it is needed the most.

We have several amazing projects planned; see reverse for more information.

Stronger together
